

Heroes of Pymoli Analysis

While nearly half (44.79%) of players range between 20 and 24 years old, a notable 84% of the game's total players are male.

Although women spend 40 cents more on average per person, men spent nearly five times as much in total compared to female players (\$1,967.64 vs. \$361.94).

Oathbreaker, Last Hope of the Breaking Storm had the most copies sold, for the most amount of total revenue; Nirvana, not as popular, sold at a higher price per copy though.
